They are father and son. They are both cops. And they are about to work together as a team. Trouble is... neither can stand the sight of the other. Jacques and Marc have been paired up in order to save the life of a brother officer who has been kidnapped by a biker gang. The success of their mission hinges on a lawyer in crisis. Jacques and Marc go undercover to get up close and personal with their target.

The film combines the strengths of a great, classic comedy cop thriller with a hilarious study of a dysfunctional, father-son relationship. It is also the highest-grossing French-language film ever released in Quebec and Canada.
